NetHunter Services

Resume Search

Following a search based on your criteria, you will receive a summary spreadsheet of targeted prospects and their resumes.

Resume Quick Search

We'll find resumes based upon your general keywords and deliver them unscreened to you in a zip file.

Resume Quick Search with E-Card

We'll find resumes based upon your general keywords. Each unscreened candidate will receive an e-card.

Resume Quick Search with E-Card and Direct Mail

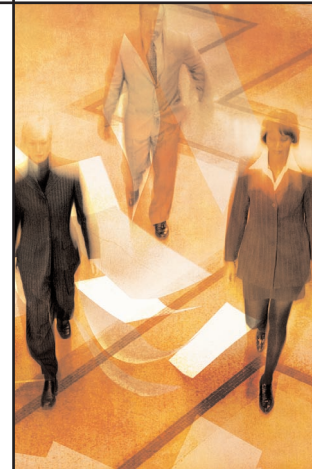

Add an extra dimension to your e-card by sending a postcard to individuals who match your criteria.

Niche Site Searches

Some niche sites allow resume database access as part of your price for a posting. For as little as \$165, we will search the resumes for you and pull the individuals who best match the criteria in your posting. If the cost of your posting does not include a resume search, you will need to add the cost of database access. We'll go on the Web site you've recently posted on, search for your position and deliver you the resumes.
